

Alliance for a responsible, plural and united world

# World citizens assembly

Lille - December 2-10, 2001

Socioprofessionnal Group

## Health and Social Professionals

- Explanation of the working method and schedule
- Contribution of the health workshop for the different themes (through the cartography)
- Speech of each group's spokesman to justify the proposals chosen by their group
- General chat with agreeing and adding a few more proposals
- Agreeing the proposals that have been gathered by all the workshop members according to the contents of the cartography.
- Presentation of the charter by one of the animator, including a recall of the context and background of the workshop
- Debate with concrete proposals to be added to the charter
- Conclusions of the debate : two proposals have been retain :
  - enforce companies and states to be more responsible
  - insist on partnership
- Explanation and registration of the workshop members to the thematic groups.
